Section 1.02 Rules of Construction.

The following rules of construction apply to the Trust Documents:

(a) *Singular and Plural; Gender.* The singular form of any word includes the plural, and vice versa, unless the context otherwise requires. The use of a pronoun of one gender includes correlative words of the other gender and neuter words, and the use of a neuter term includes words of both genders.

(b) *Sections and Other Subdivisions.* All references to “Articles,” “Sections” and other subdivisions (unless stated to be of a document other than the Trust Agreement) are to the corresponding Articles, Sections and other subdivisions of the Trust Agreement; and the words “in this Trust Agreement,” “of this Trust Agreement,” “under this Trust Agreement,” “of the Trust Agreement,” and other words of similar import refer to the Trust Agreement as a whole and not to any particular Article, Section or other subdivision, unless specified.

(c) *Headings and Examples.* Any captions, headings or titles of the various Articles, Sections and other subdivisions (including the numbering of them), and the table of contents, are solely for convenience of reference, and none of them limits or otherwise affects the meaning, construction or effect of the Trust Documents or describes the scope or intent of any provision. In addition, any examples are included by way of illustration and not limitation.

(d) *Recitals.* Each of the recitals set forth at the outset of this Trust Agreement is deemed a statement by Fannie Mae as to the purpose and scope of the various Trusts and its roles with respect to those Trusts, as further defined and limited in the Trust Documents.

(e) *Written Statements.* Every “request,” “order,” “demand,” “appointment,” “notice,” “statement,” “certificate,” “consent,” “direction” or similar action by any party will be in writing, which includes an electronic transmission of a writing or posting in an electronic medium, including the Fannie Mae Web site as provided in Section 12.04.

(f) *Counsel; Accountants.* All references to “counsel,” “attorneys” or the like mean and include counsel employed or engaged by Fannie Mae, whether or not suit is instituted; and all references to fees of such persons include fees and disbursements preparatory to and during

trial and appeal and in any bankruptcy or arbitration proceedings, as well as advice relating to the application or interpretation of the Trust Documents. All references to “accountants” or the like mean and include accountants employed or engaged by Fannie Mae. In determining compliance with accounting standards, the opinion of the accountants employed by Fannie Mae will be conclusive.

(g) *Inclusionary Language.* Whenever the word “includes” or “including” is used, such word means “includes or including by way of example and not limitation.”

(h) *Fannie Mae.* As defined in Section 1.01, any reference to Fannie Mae means Fannie Mae in one or more of its corporate capacities, as specified or as provided in context, and not in its capacity as Trustee unless expressly provided otherwise. A successor to Fannie Mae means a Person that succeeds to the entire business or the relevant portion of the business of Fannie Mae, by merger, reorganization or purchase of all or substantially all of the assets, or a Person that succeeds to Fannie Mae in the applicable capacity under this Trust Agreement.

(i) *Individual Trusts.* With respect to each Trust, and unless expressly stated otherwise, the provisions of the Trust Documents will be interpreted as referring only to the Certificates of that Trust, the Holders of those Certificates and the Trust Fund related to that Trust.

(j) *Rating Agency.* Whenever reference is made to any rating agency (i) if that rating agency has been merged into another entity, no longer exists, no longer rates the type of security or entity that is the subject of the reference, or no longer uses the ratings system that is included in the reference, and if there is a successor rating agency, then the reference will be deemed to mean that successor rating agency; (ii) it may include a nationally recognized statistical rating organization, other than one named in this Trust Agreement, that has been designated as such by the Securities and Exchange Commission (or successor governmental agency) and selected by the Issuer for purposes of this Trust Agreement; or (iii) for money market funds, if neither S&P nor Moody’s has rated, or if each has ceased to rate, a money market fund, then the Issuer may select any other rating agency widely used by the market for rating money market funds, such as Morningstar RatingsTM, Fitch, Inc., Lipper, Inc., Dominion Bond Rating Service or any comparable rating agency. For purposes of this provision, if the legal form and status of a rating agency is unchanged but (x) such rating agency no longer rates the type of security or entity that is the subject of the rating or (y) such rating agency no longer uses the ratings system that is included in the reference, the term “successor rating agency” will also include any rating agency designated by the Issuer that continues to rate the relevant type of security or entity and/or continues to use a comparable ratings system, as applicable, and that otherwise satisfies the criteria set forth in (ii) and (iii) above. In the case of (i), (ii) or (iii), the referenced ratings categories will be deemed to refer to the comparable ratings categories in the rating system used by the rating agency that succeeds that rating agency. In determining the number of applicable ratings categories of a particular rating agency, pluses and minuses (or numbered subcategories) will be ignored, except that a minimum alpha-numeric rating that is followed by a minus sign (or by the least desirable numeric indication) will not be considered to be in the required category. For example, as of the date of this Trust Agreement, (a) the two highest ratings categories for long-term securities are “AAA” and “AA” for S&P and “Aaa” and “Aa” for Moody’s; (b) the highest ratings categories for short-term securities are “A-1” for S&P and “P-1” for Moody’s; (c)

the two highest ratings categories for money market funds are “AAAm” and “AAm” for S&P and “Aaam” and “Aaam” for Moody’s; and (d) a long-term rating of “AA-“ by S&P or “Aa3” by Moody’s will not be considered in the two highest ratings categories.

(k) *Changes in Laws.* Whenever a statute, regulation, governmental body, accounting standard or accounting body is identified in this Trust Agreement, the reference includes any modification of, successor to or renamed statute, regulation, governmental body, accounting standard or accounting body.

(l) *Delegates, Agents, Successors and Assigns.* Whenever a Person is referenced in the Trust Documents, and except as provided in Section 1.02(h) with respect to Fannie Mae, the reference includes that Person’s successors and assigns, by merger, acquisition, operation of law, reorganization, inheritance or similar occurrence, as well as any Person who succeeds in the relevant capacity pursuant to the terms of the Trust Documents. A successor to any governmental unit referenced in this Trust Agreement includes a governmental unit that is created or charged with carrying out substantially the same functions as the referenced governmental unit. A Person may exercise any of the rights or powers granted to it or perform any duties under the Trust Documents either directly or by or through agents or attorneys.

(m) *Substantial Compliance.* Any administrative practice adopted, implemented, changed or discontinued by the Trustee or Paying Agent in order to accommodate administrative practices or processes (including systems limitations) will be considered to be consistent with this Trust Agreement and expectations of a reasonable investor in mortgage-backed securities if such practice achieves substantial compliance in all material respects with this Trust Agreement.

(n) *Will.* Whenever the word “will” is used as a verb, such word means that an obligation is imposed and is not intended merely as an expression of the future tense.

(o) *Court.* Whenever the word “court” is used, such word means a court of competent jurisdiction.

ARTICLE II CREATION OF TRUSTS; CONVEYANCE OF POOLED SECURITIES; APPLICABLE DOCUMENTATION

Section 2.01 Declaration of Trust; Transfer and Conveyance of Trust Assets.

With respect to each Trust, by delivering any Certificate pursuant to the related Trust Documents, the Issuer unconditionally, absolutely and irrevocably sets aside, transfers, assigns, sets over and otherwise conveys to the Trustee, on behalf of related Holders, all of the Issuer’s right, title and interest in and to the Trust Assets, including all payments of principal and/or interest thereon due after the month in which the Issue Date occurs. Once Trust Assets have been identified as being included in a particular Trust for which at least one Certificate has been issued, they will continue to be included in that Trust Fund unless removed in a manner consistent with the Trust Documents.

Section 2.02 Acceptance of Responsibilities.

Concurrently with the Issuer's setting aside, transferring, assigning, setting over and otherwise conveying the Trust Assets to the Trustee for a Trust:

(a) the Trustee (i) accepts the Trust Assets so conveyed, (ii) acknowledges that it holds all of the related Trust Fund in trust for the exclusive benefit of the related Holders and (iii) agrees to administer the related Trust Fund and the related Certificates in accordance with the terms of the related Trust Documents; and

(b) the Guarantor agrees to make Guaranty Payments in accordance with the provisions of the related Trust Documents.

Section 2.03 Security Interest.

The Issuer intends that the conveyance, transfer and setting aside of the Trust Assets by the Issuer to the Trustee pursuant to the Trust Documents be a true, absolute and unconditional sale of the Trust Assets by the Issuer to the Trustee, and not a pledge of the Trust Assets to secure a debt or other obligation of the Issuer. Notwithstanding this express intention, however, if the Trust Assets, or any of them, are determined by a court to be the property of the Issuer, then it is intended:

(a) the conveyance of the Trust Assets be deemed a pledge of the Trust Assets by the Issuer to the Trustee to secure a debt or other obligation of the Issuer; and

(b) (i) the Trust Documents be deemed a security agreement within the meaning of Articles 8 and 9 of the Uniform Commercial Code as in effect from time to time in the District of Columbia;

(ii) the conveyance provided for in Section 2.01 be deemed a grant by the Issuer to the Trustee of a security interest in: (A) all of the Issuer's right, title and interest in and to the Trust Assets and all amounts payable under the Trust Assets in accordance with their terms; and (B) all proceeds of any conversion, voluntary or involuntary, of those Trust Assets and amounts into cash, instruments, securities or other property, including all amounts, other than interest earnings or other investment earnings on any Certificate Account, whether in the form of cash, instruments, securities or other property;

(iii) the obligations secured by this security agreement be deemed all of the Issuer's obligations under the Trust Documents, including the obligation to make payments to Holders;

(iv) notifications to Persons holding such property, and acknowledgments, receipts or confirmations from Persons holding such property, be deemed notifications to, or acknowledgments, receipts or confirmations from financial intermediaries, bailees or agents (as applicable) of the Trustee for the purpose of perfecting the security interest under applicable law; and

(v) immediately upon default of the deemed indebtedness of the Issuer with respect to any Trust, the Trustee, without any further action, becomes the absolute owner (in its capacity as Trustee of the related Trust) of the Trust Assets securing such deemed indebtedness, free and clear of any and all interests of the Issuer in such Trust Assets.

Section 2.04 Equitable Interest.

If the Issuer fails to transfer the entire legal ownership in and to each Trust Asset to the related Trust, the Issuer intends that the Trust Documents nevertheless will operate to transfer the entire equitable ownership interest in and to each Trust Asset to the Trustee for the related Trust.

Section 2.05 Prohibition Against Encumbrance.

Except as may otherwise be provided expressly in the Trust Documents, none of the Issuer, the Guarantor or the Trustee will, directly or indirectly assign, sell, dispose of or transfer all or any portion of or interest in a Trust Fund, or permit all or any portion of the Trust Fund to be subject to any lien, claim, mortgage, security interest, pledge or other encumbrance of any other Person.

Section 2.06 Repurchase.

(a) With respect to any Series, upon discovery of a breach by the Transferor of a representation or warranty made by the Transferor to the Issuer with respect to the Trust Assets included in the Trust Fund, the Issuer may, within 90 days of discovery of such breach, repurchase from the Trust at the applicable Purchase Price any Trust Assets with respect to which such breach applies; *provided, however*, that no Pooled Security that is a principal only security or an interest only security may be repurchased by the Issuer pursuant to this Section 2.06(a).

(b) The Issuer will, as soon as practicable, repurchase from the Trust at the applicable Purchase Price any Trust Assets if (i) the Issuer, a court of competent jurisdiction or a governmental agency duly authorized to oversee or regulate the Issuer's business determines that the Issuer's acquisition of such Trust Assets was unauthorized; or (ii) a court or governmental agency requires purchase of such Trust Assets from a Trust to comply with applicable law.

(c) Reserved.

(d) Any repurchase occurring pursuant to this Section 2.06 will be effective as of the first day of the calendar month in which such repurchase occurs. Upon removal of any Pooled Security, the Issuer will amend the related Schedule of Trust Assets to reflect such removal.

Section 2.07 Issue Supplement.

An Issue Supplement documents the establishment of a particular Trust and relates to a Series of Certificates representing the entire beneficial ownership interest in the related Trust Fund. The Issuer will prepare and maintain for each such Series a Schedule of Trust Assets, in substantially the forms attached to Exhibits A and B hereto and which may be in an electronic

format, and if in electronic format will be deemed attached to the Issue Supplement. If for any reason the creation of an Issue Supplement is delayed, the Issuer will create one as soon as practicable, and such delay will not affect the validity or existence of the Trust or the related Certificates. Any one or more physical or electronic documents or records (signed or unsigned) made in the ordinary course that conclusively identify the related Trust Assets as being part of the Trust Fund will be deemed to be an Issue Supplement for purposes of documenting the establishment of the related Trust. Any schedule attached to the Issue Supplement will be deemed part of the Issue Supplement.

Section 2.08 Issue Supplement and Trust Agreement.

With respect to each Trust, the collective terms of the Trust Documents will govern the issuance and administration of the Certificates related to such Trust and all matters related thereto, and will have no applicability to any other Trust or Certificates. As applied to each Trust, the collective terms of the Trust Documents will constitute an agreement as if the collective terms of those instruments were set forth in a single instrument. In the event of a conflict between the terms of this Trust Agreement and the terms of an Issue Supplement for a Series, the terms of the Issue Supplement will control with respect to that Series. An Issue Supplement is not considered an Amendment requiring approval pursuant to Article XI.

Section 2.09 Access to Information.

The Trustee will provide access to the related Trust Documents to any related Holder upon request. This obligation will be satisfied conclusively if the Issuer provides or makes the related Trust Documents available in the same manner permitted for the giving of notices, as provided in Section 12.04. The Trustee may redact, or cause to be redacted, any information from the Issue Supplement, including any mortgage loan schedule, prior to providing it to a Holder if the Issuer determines that such information is not required to be provided or if providing it would violate the privacy of any borrower or any applicable law or regulation.

Section 2.10 Use of Information.

Notwithstanding anything to the contrary in Section 2.01, Fannie Mae, in each of its capacities, retains or is and will be granted, as applicable, on a nonexclusive basis, any and all licenses and rights to store, reproduce, edit, analyze, distribute and use in any manner all or part of information or data contained in any records and documentation regarding the Trust Assets and all accounts and other matters relating to any Trust Assets or Trust under the Trust Documents. Assignees and successors of the Issuer, the Trustee and the Guarantor are and will be granted, on a nonexclusive basis, any and all licenses and rights to store, reproduce, edit, analyze, distribute and use all or part of such information or data for the purpose of carrying out their respective functions.

Section 2.11 Reserved.

Section 2.12 Status of Trust.

For federal income tax purposes, each Trust formed under this Trust Agreement will be treated as a fixed investment trust under the Code and applicable Treasury Regulations, and not

as an association taxable as a corporation. The Trust Documents will be interpreted so as not to provide any “power to vary the investment” (within the meaning of the applicable Treasury Regulations) of any Trust formed under this Trust Agreement. The Trustee will take any action or cause the Trust to take any action necessary (i) to create and maintain the status of each Trust as a fixed investment trust for federal income tax purposes, and (ii) to the extent not inconsistent with clause (i), to maintain the federal income tax status of any REMIC or Other Fannie Mae Trust that holds the Certificates of any Trust. In addition, the Trustee will refrain from taking any action, including any action otherwise permitted or required under this Agreement, that would disqualify any Trust as a fixed investment trust or change the federal income tax status of any REMIC or Other Fannie Mae Trust that holds the Certificates of any Trust.

Section 2.13 Trust Administration Fee.

For its services to the Trusts, Fannie Mae will be entitled to a fee payable as provided in Section 5.02 from interest earnings and other investment earnings on all Certificate Accounts. As long as Fannie Mae is the Trustee for all Trusts under this Trust Agreement, the Trust Administration Fee will be determined in the aggregate, and not for each Trust separately. A fee for any successor Trustee will be established as provided in Section 8.10.

Section 2.14 Payment for Services to Trusts.

In order that services to the Trusts will be provided, fees and expenses payable under the Trust Documents for a Trust are payable prior to any distribution to Holders.

ARTICLE III CERTIFICATES

Section 3.01 Issuance of Certificates.

The Certificates with respect to a particular Trust will be issued pursuant to the related Trust Documents. With regard to each Trust, all of the terms and conditions of the Trust Documents will become binding and irrevocable at such time as the Issuer first causes a Certificate for that Trust to be issued to a Holder. Delivery of one or more Certificates of a Trust will constitute the issuance of all Certificates authorized with respect to that Trust. By settlement of and transfer of consideration for a Certificate, a Holder acknowledges, accepts and agrees to be bound by all of the terms and conditions of the Trust Documents, and is deemed to waive any rights that are inconsistent with the Trust Documents.

Section 3.02 Classes of Certificates; Limitations on Outstanding Certificates.

The Certificates authorized by the Trust Documents will be divided into Classes having the Class designations, Class Interest Rates and Original Class Balances specified or described in the related Fannie Mae Offering Document. The aggregate unpaid principal balance of all Outstanding Certificates with respect to any Trust at any time will be equal to the aggregate unpaid principal balance of the related Pooled Securities at such time. The aggregate amount of interest distributable on the Outstanding Certificates with respect to any Trust on any

Distribution Date, after any required rounding up to whole dollars, will be equal to the aggregate amount of interest due on the related Trust Assets with respect to such Distribution Date.

Section 3.03 Form of Certificates; Transfer of Certificates.

(a) *Book-Entry Form.* Certificates will be issued in book-entry form and will be maintained in the names of the record owners thereof as entries on the books of the Fiscal Agent, in accordance with the Book-Entry Rules. Holders will have no right to a definitive Certificate, unless otherwise provided in the related Issue Supplement. Transfers, exchanges and redemption of Certificates will be conducted in accordance with the Book-Entry Rules.

(b) *Definitive Form.* If an Issue Supplement so provides, all or a portion of the Certificates for a Trust may be issued in definitive or temporary form, either as to individual Certificates or as to a global Certificate held by a securities registry acceptable to the Issuer (in which case individual interests in the global Certificate will be held and transferred in the manner provided in the rules of the applicable securities registry). If a definitive or temporary Certificate is used, the form of the Certificate, including denominations, as well as the necessary procedures for the registration, transfer, exchange and replacement of the Certificates, and, if applicable, conversion to book-entry form, will be provided in the Issue Supplement.

Section 3.04 Denominations.

Certificates will be in authorized denominations of \$100,000 and integral multiples of \$1 in excess thereof. Certificates may not be transferred if, as a result of the transfer, the transferor or the new Holder would hold Certificates of the same issue with an aggregate original principal amount or notional principal amount of less than \$100,000.

Section 3.05 Exchanges of Certificates.

(a) Unless the Issue Supplement provides otherwise, Holders of SMBS Certificates (excluding SMBS Certificates backed by Excess Yield Amounts) may exchange any such SMBS Certificates for (i) Pooled Securities (provided that if the Pooled Security is a single mega or Supers security, the SMBS Certificates may be exchanged for such mega or Supers security only), (ii) Certificates of one or more Classes of SMBS Certificates specified in the Issue Supplement, or (iii) a combination of the Pooled Securities and SMBS Certificates as specified in clauses (i) and (ii). In the case of any exchange described above, the Certificates surrendered by a Holder must (A) provide for aggregate interest distribution amounts for any Distribution Date that are equal to the aggregate interest distribution amounts for (x) the related distribution date for the Pooled Securities and/or (y) the Distribution Date for the Certificates received in the exchange and (B) have principal denominations that, in the aggregate, are equal to the aggregate principal denominations of the Pooled Securities and/or Certificates received in the exchange (exclusive of the notional principal denominations of any Certificates of an Interest Only Class). In addition, if an exchange includes one or more Floating Rate Classes, the aggregate interest distribution amounts on the Certificates surrendered for exchange and the Pooled Securities and/or Certificates received in the exchange must be equal at all levels of LIBOR or other related index as specified in the related disclosure document (for the Pooled Securities) or the Issue Supplement. Any Holder desiring to exchange one or more Certificates in the manner described

above will give such notice and pay any applicable fees that may be required by the Issuer from time to time. Fannie Mae in its sole discretion will determine whether or not the conditions for an exchange that are specified in this paragraph have been met.

(b) There will be no limitation on the number of exchanges authorized pursuant to this Section 3.05; *provided, however*, that if as a result of a proposed exchange a Holder would hold (i) a Pooled Security in an amount less than the related minimum denomination applicable to such Pooled Security or (ii) a Certificate in an amount less than the related minimum denomination specified in the related Issue Supplement, the Holder will be unable to effect the proposed exchange. Exchanges will be governed by the then existing policies of the Issuer, which policies may be amended by the Issuer from time to time.

Except as otherwise specified in the related Issue Supplement, any such exchange described in this Section 3.05 will be in accordance with procedures adopted by the Federal Reserve Banks as described in Section 3.03, and the Issuer. Upon any such exchange, the portion or portions of the Certificate(s) designated for exchange will be deemed cancelled and replaced by the Certificate(s) issued in exchange.

Section 3.06 Transfer, Exchange and Pledge.

The transfer, exchange, replacement or pledge of Certificates will be governed by agreement between the Issuer and the Fiscal Agent. The Fiscal Agent may act only upon the instruction of the Holder in recording Certificate transfers, and only upon payment by the Holder of amounts required to cover transfer fees, taxes and any other associated charges.

ARTICLE IV DISTRIBUTIONS

Section 4.01 Distributions on Certificates.

(a) On or before each Distribution Date for each Series, the Trustee will calculate, or cause to be calculated, the related Class Distribution Amount for each Class of Certificates with respect to a Series; *provided* that, in calculating or causing to be calculated the amount to be distributed on any Distribution Date, the Trustee will make any adjustments as are necessary to reconcile prior payments made in error. On or before the Distribution Date, the Trustee will notify the Paying Agent, or cause the Paying Agent to be notified, of the Class Distribution Amount for each Class of Certificates with respect to a Series for that Distribution Date.

(b) On each Distribution Date, the Trustee will withdraw and deliver to the Paying Agent, or cause to be withdrawn and so delivered, funds from the related Certificate Account in the amount of the Class Distribution Amount for each Class of Certificates with respect to a Series (or if sufficient funds for a Trust are not then available in the related Certificate Account, as much as is available).

(c) To the extent the amount distributed from the Certificate Account to the Paying Agent is insufficient to pay any Class Distribution Amount with respect to a Trust, the Paying Agent will receive funds pursuant to the Guaranty as described in Section 5.05.

(d) On or before each Distribution Date, the Trustee will instruct the Paying Agent to distribute to each Holder as of the related Record Date, in immediately available funds, such Holder's Percentage Interest in the applicable Class Distribution Amount.

(e) The aggregate amount of interest and principal distributable on the Certificates of any Class during any calendar month will be equal to the Class Distribution Amount for such calendar month. All distributions made with respect to any Certificate on any Distribution Date will be applied first to any interest distributable on the Certificate on such Distribution Date and then to the principal of the Certificate, if any. All distributions of principal and interest that are made with respect to a particular Class of Certificates will be made pro rata among all Outstanding Certificates of such Class in proportion to their respective Certificate Balances, with no preference or priority of any kind.

(f) Except as provided in the following sentence, interest on each Class of interest-bearing Certificates for the related Interest Accrual Period at the applicable Interest Rate will be distributed on each applicable Distribution Date. The total amount of interest distributed in respect of any interest-bearing Certificate on any Distribution Date will be equal to one month's interest at the applicable Interest Rate on the Certificate Balance of the Certificate.

(g) For purposes of calculating the accrual of interest with respect to any interest-bearing Certificate, the related Certificate Balance will be deemed to adjust at the beginning of each Interest Accrual Period. All computations of interest accrued on any Certificate will be made as if each year consisted of twelve months of thirty days each.

Section 4.02 Determination of Interest Rates for LIBOR Classes.

(a) The Interest Rate for any LIBOR Class of a Series for each Interest Accrual Period will be determined by the Issuer on the Index Determination Date in the month following the month in which the Settlement Date for such Series occurs and on each Index Determination Date thereafter so long as such LIBOR Class is outstanding. The Issuer will determine the Interest Rate on the basis of LIBOR and the applicable formula specified in the related Fannie Mae Offering Document.

(b) In determining LIBOR or any Interest Rate for any LIBOR Class, the Issuer may conclusively rely and will be protected in relying upon the rates or offered quotations (whether written, oral or disseminated by means of an electronic information system) provided by the sources specified in the related Fannie Mae Offering Document.

Section 4.03 Information to Holders.

(a) *Monthly Information.* As soon as practicable during each calendar month, beginning in the month of the Issue Date, for each Series, the Trustee will make available, or cause to be made available, the Factor applicable to each Class of Certificates.

(b) *Annual Reports.* Within a reasonable time after the end of each calendar year during any portion of which a Certificate is an Outstanding Certificate, the Trustee will either (i) furnish or cause to be furnished to each Holder listed on the records of the Fiscal Agent at any time during that year a statement containing the relevant information required under the

Code or (ii) disseminate in a manner consistent with Section 12.04 information from which such relevant information can be calculated.

ARTICLE V CERTIFICATE ACCOUNTS; FANNIE MAE GUARANTY

Section 5.01 Certificate Accounts.

(a) On or before the date of issuance of the Certificates of any Series, the Trustee will open with an Eligible Depository one or more Certificate Accounts to hold funds for the benefit of Holders of the Certificates of the related Series. A Certificate Account may also contain funds that the Trustee holds in trust for one or more Trusts or Other Fannie Mae Trusts, *provided* that the Trustee keeps, or causes to be kept, separate records of funds with respect to each Trust.

(b) The manner in which any Certificate Account is maintained may be changed at any time without notice to, or the approval of, Holders, so long as (i) that Certificate Account is maintained with an Eligible Depository and (ii) funds or investments held in that Certificate Account by, or for the account of, the Trustee of the related Trust or Trusts are at all times identified as such. Only the Trustee may transfer or otherwise exercise control over the funds or investments in any Certificate Account. The Trustee may move funds from one Certificate Account to another Certificate Account at any time, as long as the criteria specified in clauses (i) and (ii) above are satisfied.

(c) For each Series, the Trustee will deposit all Trust Asset Distributions, received by it hereunder into the related Certificate Account. All Trust Asset Distributions deposited from time to time in any Certificate Account, and all investments made with such moneys will be held by the Trustee in such Certificate Account for the benefit of the Holders of Certificates of the related Trust as herein provided, subject to withdrawal by the Trustee for the purposes set forth in Section 5.04.

Section 5.02 Investments.

All or a portion of amounts on deposit in any Certificate Account may be invested and reinvested in one or more investments that, at the time of their acquisition, are Eligible Investments maturing not later than the applicable Distribution Date or, if funds in a Certificate Account are to be transferred to another Certificate Account, by the expected date of transfer. Holders will have no right to interest earnings or other investment earnings on funds held in any Certificate Account, and such earnings will not be part of any Trust Fund. Earnings on the investments in any Certificate Account will be applied to the payment of the Trust Administration Fee unless otherwise agreed by Fannie Mae.

Section 5.03 Limitations on Permitted Sales.

If, with respect to any investment held in a Certificate Account, both (i) the rating accorded by the applicable rating agency with respect to such investment declines by two rating levels after acquisition of the investment and, (ii) as a result of the decline, the investment ceases to be an Eligible Investment, then the Trustee will cause that nonconforming investment to be sold as soon as practicable. Otherwise, except in the case of investments made in violation of

this Trust Agreement, no investment may be sold prior to its maturity while in a Certificate Account.

Section 5.04 Payment from Certificate Accounts.

(a) *Transfer to Paying Agent.* No later than each Distribution Date, the Trustee will withdraw and deliver to the Paying Agent from funds on deposit in one or more Certificate Accounts an amount equal to each Class Distribution Amount for a Trust pursuant to Section 4.01 and 4.02 (or if sufficient funds for a Trust are not then available in any Certificate Account, as much as is available) for application towards the distributions required by the Trust Documents. The Trustee may consolidate funds in one or more Certificate Accounts (or through a clearing account at an Eligible Depository) prior to transfer to the Paying Agent.

(b) *Receipt of Guaranty Payments.* To the extent the amount withdrawn from the Certificate Accounts and delivered to the Paying Agent is insufficient to pay the Class Distribution Amount for each Class of Certificates with respect to a Series for that Distribution Date, the Paying Agent will receive funds pursuant to the Guaranty as described in Section 5.05.

(c) *Instruction to Paying Agent.* With respect to each Distribution Date, the Trustee will instruct the Paying Agent to distribute to Holders the amounts as provided in Section 4.01(d).

(d) *Other Payments from Certificate Accounts.* At any time, the Trustee is authorized to withdraw or direct the withdrawal from any Certificate Account, and pay the following (in each case, to the extent not previously paid or retained) to the extent funds for such purpose have been deposited to any such Certificate Account:

(i) to the Guarantor, amounts to reimburse the Guarantor for funding or payments made by it with respect to amounts that are subsequently recovered by the Trust and transferred to a Certificate Account but are not required for payment to Holders;

(ii) to the Trustee, to the extent of interest earnings and other investment earnings on the funds held in any Certificate Account, for payment of the Trust Administration Fee;

(iii) to the Trustee, any Additional Trust Expenses that are then due and payable;

(iv) to remove amounts that were not required to be deposited pursuant to Section 5.01(c) and any excess Estimated Funding; and

(v) after all other distributions have been made on the Final Distribution Date for a Trust, to the extent of any remaining amounts in any Certificate Account attributable to that Trust, to the Guarantor.

Section 5.05 Fannie Mae Guaranty.

(a) *Guaranty Payments.*

The Guarantor unconditionally and irrevocably agrees to pay to the related Trust the following amounts to the extent not otherwise available from funds in the Certificate Accounts pursuant to Section 5.04:

(i) on each Distribution Date, an amount equal to the Class Distribution Amount as required to be distributed on such Distribution Date pursuant to Section 4.01 for that Trust on such Distribution Date; and

(ii) on the Final Distribution Date for a Class of Certificates (other than an Interest Only Class), after giving effect to payments under clause (i) of this Section 5.05, the amount needed to reduce the Aggregate Certificate Balance of such Class to zero on such Final Distribution Date.

After the Guarantor is notified by the Trustee or Paying Agent of the insufficiency of funds in the Certificate Accounts to cover all such amounts, the Guarantor will transfer any such amounts to cover the insufficiency to one or more Certificate Accounts or directly to the Paying Agent in immediately available funds on or before the applicable Distribution Date for payment to each related Trust. The Guaranty is limited to payment of the amounts specified in this Section 5.05.

Any Guaranty Payment paid to the Trust by the Guarantor pursuant to this Section 5.05 that constitutes a distribution of principal will be deemed to be part of the related Class Principal Distribution Amount for purposes of all future calculations of Factors.

(b) *Enforcement; Unconditional Obligation.* The Guaranty pursuant to this Section 5.05 will inure to the benefit of each Trust, and will be enforceable by the Trustee of that Trust, only as provided in this Trust Agreement. The Guarantor agrees that its obligation to pay any Guaranty Payment on a Distribution Date will be unconditional, regardless of: (i) the validity, legality or enforceability of, or any change in or amendment to, the Trust Documents; (ii) the absence of any action to enforce the payment obligation; (iii) the waiver or consent by the requisite vote of the Holders or by the Trustee with respect to any provisions of the Trust Documents, except pursuant to Section 11.04; or (iv) any action to enforce, or other circumstance that might otherwise constitute, a legal or equitable discharge or defense of a guarantor. Except as expressly provided in Section 9.01, the Guarantor waives diligence, presentment, demands of payment or otherwise, protest or notice with respect to each Certificate or the interest represented by such Certificate, and all demands whatsoever, and covenants that this Guaranty will not be discharged except upon complete and irrevocable payment of any Guaranty Payment required hereunder.

(c) *Estimated Funding.* From time to time, the Guarantor may deposit Estimated Funding to a Certificate Account, determined on the basis of expected collections of principal and interest payments on the Pooled Securities and anticipated payments to be made to Holders on the following Distribution Date or a subsequent Distribution Date, as applicable, which

amount may be an estimated amount pending reconciliation of receipts and allocation of amounts owed to Holders. Any Estimated Funding amounts in excess of funds required to be distributed to Holders on a Distribution Date will, upon request of the Guarantor, be reimbursed to the Guarantor after reconciliation of funds actually collected.

(d) *Subrogation.* The Guarantor will be subrogated to all rights of Holders of Certificates in the related Trust with respect to any Guaranty Payment. Nothing in this Section 5.05(c) will impair Fannie Mae's right to receive distributions in its capacity as a Holder, if it is a Holder of any Certificates.

(e) *No United States Guaranty.* The Guaranty is a corporate obligation solely of Fannie Mae. Neither the Certificates nor payments of principal and interest on the Certificates are guaranteed by the United States and neither constitutes a debt or obligation of the United States or any agency or instrumentality of the United States other than Fannie Mae.

(f) *Paying Agent.* Any payment obligations of any Person other than the Paying Agent to Holders will be fully satisfied upon transmittal of payment to the Paying Agent of each Class Distribution Amount on or before the related Distribution Date.

ARTICLE VI LIMITATION OF LIABILITY

Section 6.01 General Limitation.

The liability of each of the Issuer, Guarantor and Trustee and any successor extends only to its performance in good faith of the duties and responsibilities specifically imposed by the terms of the Trust Documents. No other duties or responsibilities will be implied.

Section 6.02 Measure of Liability.

(a) *Good Faith.* None of the Issuer, the Guarantor, the Trustee, or any successor to any of them, or any of their respective directors, officers, employees or agents will be liable for any action taken or for refraining from the taking of any action in good faith pursuant to the terms of the Trust Documents, or for errors in judgment; *provided, however*, that this provision will not protect the Issuer, Guarantor or Trustee or any such Person against any liability for action or inaction resulting from willful misfeasance, bad faith or gross negligence, or willful disregard of obligations and duties under the Trust Documents.

(b) *Standard of Care.* In performing their duties and exercising their rights, the Issuer and Guarantor are obligated to act in good faith, as described in Subsection 6.02(a). The Trustee's standard of care is as described in Section 8.01.

Section 6.03 Acts of Parties.

In exercising any right under the Trust Documents, neither the Issuer nor the Guarantor will be acting in a fiduciary capacity. Any failure by the Issuer, Guarantor or Trustee to exercise any right under the Trust Documents in any instance will not be deemed a waiver of such right in any other instance.

ARTICLE VII FANNIE MAE

Section 7.01 Merger or Consolidation.

Any corporation or other entity into which Fannie Mae is merged, converted or consolidated, or any corporation or other entity resulting from any merger, conversion or consolidation to which Fannie Mae is a party, or any corporation or other entity succeeding to the business of Fannie Mae, will succeed to and assume all obligations and duties imposed upon Fannie Mae in its several capacities by the terms of the Trust Documents, without the filing of any instrument or the performance of any further act by Fannie Mae or any Holder. Fannie Mae will give notice promptly of such succession to all Holders.

Section 7.02 Fannie Mae as Holder.

Fannie Mae will have the right to purchase and hold for its own account any Certificate and will have the same rights as any other Holder, except as otherwise set forth in the Trust Documents.

ARTICLE VIII TRUSTEE

Section 8.01 Duties of Trustee.

(a) *In the Absence of a Guarantor Event of Default.* For so long as there is no Guarantor Event of Default, the duties and obligations of the Trustee will be determined solely by the express provisions of the Trust Documents. The Trustee will be responsible only for the performance of the duties and obligations specifically set forth in the Trust Documents. No implied covenants or obligations of the Trustee will be read into the Trust Documents. Any permissive right of the Trustee contained in the Trust Documents will not be construed as a duty.

(b) *When a Guarantor Event of Default Exists.* While a Guarantor Event of Default exists and is continuing, the Trustee will exercise the rights and powers vested in it by the Trust Documents and use the same degree of care and skill in their exercise as a prudent investor would exercise or use under the circumstances in the conduct of its own affairs.

Section 8.02 Liability.

No provision of the Trust Documents will be construed to relieve the Trustee from liability for its own negligent action, its own negligent failure to act or its own misconduct; *provided, however*, that:

(a) As provided in Section 6.01, the Trustee will not be personally liable for an error of judgment made in good faith by the Trustee, unless it is proven that the Trustee was negligent in ascertaining the pertinent facts;

(b) The Trustee will not be personally liable with respect to any action taken, permitted or omitted to be taken by it in good faith in accordance with the direction of Holders of

Certificates representing at least 5% of the Voting Rights of any related Series as to the time, method and place of conducting any proceeding for any remedy available to the Trustee, or exercising any trust or power conferred upon the Trustee, under the Trust Documents;

(c) For all purposes of the Trust Documents, unless the Trustee and the Guarantor are the same Person, the Trustee will not be deemed to have knowledge of any Guarantor Event of Default or event that, with notice or lapse of time, or both, would become a Guarantor Event of Default, unless an authorized officer of the Trustee has received written notice of the event or the Trustee has actual knowledge of the event. In the absence of such written notice or actual knowledge, no provision of the Trust Documents requiring the Trustee to take any action or to assume any duty or responsibility following the occurrence of any Guarantor Event of Default or event that, with notice or lapse of time, or both, would become a Guarantor Event of Default, will be effective as to the Trustee; and

(d) For purposes of this Article VIII, references to the Trustee include its directors, officers, employees and agents.

Section 8.03 Certain Matters Affecting the Trustee.

(a) *Reliance; Limitation of Duties.* Except as otherwise provided in Section 8.02:

(i) Unless a Guarantor Event of Default has occurred and has not been cured, the Trustee is entitled to rely on any direction rendered to it by the Issuer or the Guarantor in exercising its rights pursuant to the terms of the Trust Documents without inquiry as to the propriety or validity of the direction, and will be protected in acting on such direction;

(ii) The Trustee, upon receipt of all resolutions, certificates, statements, opinions, reports, documents, orders or other instruments furnished to the Trustee that are specifically required to be furnished pursuant to any provision of the Trust Documents, will examine them to determine whether they appear to conform *prima facie* to the requirements of the Trust Documents. If any such instrument is found not to conform *prima facie* to the requirements of the Trust Documents in any material respect, the Trustee will take whatever action it deems appropriate to have the instrument corrected in all material respects to the Trustee's satisfaction. Unless the Trustee has actual knowledge to the contrary, the Trustee will be entitled to rely, without further inquiry, on the apparent authority of the signer of any document, and upon the representation of the Person submitting documents to it (including the Issuer, the Guarantor and any attorney, accounting professional or other adviser (including an attorney, accounting professional or other adviser employed by the Issuer, the Guarantor or the Trustee)) that the document is genuine, which representation will be deemed given by the process of submitting the documents to the Trustee in the ordinary course of business. If the Trustee is acting in good faith, the Trustee may conclusively rely as to the truth of the statements and the correctness of the opinions or advice expressed in any certificates or opinions furnished to the Trustee and that conform to the requirements of the Trust Documents. Except if there is a pending request to investigate as provided in paragraph (v) of this Section 8.03(a), the Trustee may request and, if acting in good faith, rely upon, and will be

protected in acting or refraining from acting upon, any resolution, officers' certificate, certificate of auditors or any other certificate, statement, instrument, opinion, report, notice, request, consent, order, appraisal, bond or other paper or document *prima facie* in proper form and believed by it to be genuine and to have been signed or presented by the proper party;

(iii) The Trustee may consult with attorneys, accounting professionals and other advisers (including attorneys, accounting professionals and advisers employed or retained by the Issuer, the Guarantor or the Trustee) with respect to any action taken or allowed to occur or omitted by it under the Trust Documents in good faith. If the Trustee is acting in good faith, any advice received from attorneys, accounting professionals or other advisers (including from attorneys, accounting professionals or other advisers employed or retained by the Issuer, the Guarantor or the Trustee) will be full and complete authorization and protection from liability as to any act or omission in accordance with such advice;

(iv) The Trustee will not be obligated to exercise any of the trusts or powers vested in it by the Trust Documents or to institute, conduct or defend any litigation under or in relation to the Trust Documents at the request, order or direction of any Holder or, if the Trustee is someone other than the Guarantor, at the request, order or direction of the Guarantor, pursuant to the provisions of the Trust Documents, unless such Holders or the Guarantor, as the case may be, have offered to the Trustee reasonable security or indemnity against the costs, expenses and liabilities that it may incur; and

(v) Prior to the occurrence of a Guarantor Event of Default and after all previously existing Guarantor Events of Default have been cured, the Trustee will not be bound to make any investigation into the facts or matters stated in any resolution, certificate, statement, instrument, opinion, report, notice, request, consent, order, approval, bond or other paper or document, as permitted by the Trust Documents, unless requested in writing so to do by (i) the Guarantor or (ii) Holders of Certificates representing at least 25% of the Voting Rights of any related Series; *provided, however*, that in either case, within a reasonable time the Guarantor or such Holders, as the case may be, have provided the Trustee with reasonable indemnification for costs, expenses or liabilities likely to be incurred by it in the making of such investigation if, in the opinion of the Trustee, the Trustee is not reasonably assured by the security afforded to it otherwise by the terms of the Trust Documents.

(b) *No Obligation to Incur Liability; Indemnification of the Trustee.*

(i) No provision of the Trust Documents will require the Trustee, in its capacity as Trustee, to expend or risk its own funds or otherwise incur any financial or other liability in the performance of any of its duties, or in the exercise of any of its rights or powers, if it has reasonable grounds to believe that repayment of such funds or adequate indemnity against such risk or liability is not reasonably assured to it.

(ii) Each Trust will indemnify the Trustee and any director, officer, employee or agent of the Trustee, in each instance in its personal capacity and as Trustee (each of

them, an “indemnified party”), for, and hold each of them harmless against, any loss or liability incurred by any of them without negligence or bad faith on the part of the indemnified party arising out of or in connection with the acceptance or administration of such Trust, including any legal action described in Section 8.03(c). The amounts indemnified include the costs and expenses of defending the indemnified parties against any claim or liability incurred by any of them in connection with the exercise or performance of any of the powers or duties under the Trust Agreement, but not including any expenses incurred in the ordinary course of performing the Trustee’s duties as set forth in the Trust Documents.

(c) *Legal Action.* The Trustee in its discretion may, but is not obligated to, undertake any legal action that it deems necessary or desirable in the interests of Holders. If the Trustee determines to undertake any such legal action, it will be entitled to be provided security or indemnity to its satisfaction for any expense or liability as described in Section 8.03(b) or to be reimbursed from the related Trust Fund for the expenses it incurs in undertaking the action. In determining whether to undertake legal action, the Trustee will be entitled to rely conclusively on the advice of legal counsel as to the reasonableness of such action and, consequently, the Trustee’s entitlement to such reimbursement will be deemed due.

(d) *Authority to Delegate.* The Trustee may execute any of the trusts or powers, perform any duties under the Trust Documents, and carry out any or all of its functions under the Trust Documents either directly or by or through one or more delegates, agents or attorneys engaged by it to act on its behalf.

(e) *Authority to Commingle.* The Trustee may commingle Trust Asset Distributions and interest earnings and other investment earnings with respect to two or more Trusts, and may commingle Trust Asset Distributions and interest earnings and other investment earnings with respect to any Trust with other proceeds and earnings held by the Trustee in trust, including assets of Other Fannie Mae Trusts, *provided* that the Trustee maintains or causes to be maintained records by which the separate interests of each Trust can be ascertained.

(f) *Execution of Documents.* The Trustee is authorized to execute and deliver such documents as it determines to be necessary or appropriate to carry out the terms of the Trust Documents.

Section 8.04 Trustee May Own Certificates.

Except as otherwise set forth in the Trust Documents, the Trustee in its individual capacity may become the beneficial owner or pledgee of Certificates of any Trust with the same rights it would have if it were not Trustee.

Section 8.05 Eligibility Requirements for Trustee.

Fannie Mae is eligible to act as the Trustee, and is initially the Trustee for Trusts created under this Trust Agreement. Any successor to Fannie Mae as Trustee will be a corporation or association acceptable to the Issuer and the Guarantor and organized and doing business under the laws of the applicable state or the United States, authorized under such laws to exercise corporate trust powers, having combined capital and surplus of at least \$50,000,000 and subject

to supervision or examination by federal or state financial regulatory authorities. If such other corporation or association publishes reports of condition at least annually pursuant to law or to the requirements of the supervising or examining authority, then for the purposes of this Section 8.05 the combined capital and surplus will be deemed to be its combined capital and surplus as set forth in its most recent report of condition so published. If any such successor Trustee ceases to be eligible under this Section 8.05 at any time, that successor Trustee will resign immediately in the manner and with the effect specified in Section 8.06.

Section 8.06 Resignation and Removal of Trustee.

(a) *Resignation by Trustee.* The Trustee may resign at any time. Any successor Trustee will resign if it ceases to be eligible in accordance with the provisions of Section 8.05. In either case, the resignation of the Trustee will be effective, and the resigning Trustee will be discharged from the Trusts created by the Trust Documents, only by giving 90 days' written notice of the resignation to the Guarantor and upon the effectiveness of an appointment of a successor Trustee, which may be as of a date prior to the end of the 90-day period. Upon receiving such notice of resignation, the Guarantor (or if a Guarantor Event of Default has occurred and is continuing, the Issuer) will promptly appoint one or more successor Trustees by written instrument, one copy of which is delivered to the resigning Trustee and one copy of which is delivered to the successor Trustee. The successor Trustee need not be identical for all Trusts. If no successor Trustee has been appointed for a Trust, or one that has been appointed has not accepted the appointment within 90 days after giving such notice of resignation, the resigning Trustee may petition any court for the appointment of a successor Trustee.

(b) *Removal of Trustee for Cause.*

(i) Prior to a Guarantor Event of Default or if a Guarantor Event of Default has occurred and has been cured with respect to a Trust, Fannie Mae cannot be removed as Trustee with respect to that Trust. If a Guarantor Event of Default has occurred and is continuing while Fannie Mae is the Trustee, at the direction of Holders of Certificates of any related Series representing at least 51% of the Voting Rights of such Series, Fannie Mae will resign or be removed as the Trustee, and, to the extent permitted by law, all of the rights and obligations of the Trustee with respect to the related Trust only will be terminated by notifying the Trustee in writing. The Holders providing the direction referenced above will then be authorized to name and appoint one or more successor Trustees. Notwithstanding the termination of the Trustee, its liability under the Trust Documents arising prior to such termination will survive such termination.

(ii) If a Trustee other than Fannie Mae is serving as the Trustee, the following events are "Trustee Events of Default":

A. with respect to a Trust, solely to the extent the applicable funds actually are received by the Trustee, any failure by the Trustee to withdraw and deliver to the Paying Agent (or cause to be withdrawn and delivered to the Paying Agent) any distribution required to be made under the terms of the Trust Documents, if such failure continues unremedied for a period of 15 days after the date on which written notice of such failure and a demand to remedy that failure

is given to the Trustee by either the Guarantor (except when a Guarantor Event of Default has occurred and is continuing) or the Holders of Certificates of any related Series representing at least 5% of the Voting Rights of that Series;

B. with respect to a Trust, failure on the part of the Trustee duly to observe or perform any other material covenant or agreement on the part of the Trustee set forth in the Trust Documents, if such failure continues unremedied for a period of 60 days after the date on which written notice of such failure and a demand to remedy that failure is given to the Trustee by either the Guarantor (except when a Guarantor Event of Default has occurred and is continuing) or the Holders of Certificates of any related Series representing at least 25% of the Voting Rights of that Series;

C. the Trustee ceases to be eligible in accordance with the provisions of Section 8.05 and fails to resign;

D. the Trustee becomes substantially incapable of acting, or has been determined to be unable under applicable law or regulation to remain as Trustee by either (i) the governmental unit or regulatory entity that has primary supervisory authority for it or (ii) a court;

E. a decree or order of a court or agency or supervisory authority having jurisdiction in the premises for the appointment of a conservator, receiver or liquidator in any insolvency, readjustment of debt, marshalling of assets and liabilities or similar proceedings, or for the winding-up or liquidation of its affairs, entered against the Trustee and such decree or order remains in force undischarged or unstayed for a period of 60 days;

F. the Trustee consents to the appointment of a conservator, receiver or liquidator in any insolvency, readjustment of debt, marshalling of assets and liabilities or similar proceeding relating to the Trustee or to all or substantially all of its property; or

G. the Trustee admits in writing its inability to pay its debts generally as they become due, files a petition to invoke any applicable insolvency or reorganization statute, makes an assignment for the benefit of its creditors, or voluntarily suspends payment of its obligations.

If at any time a Trustee Event of Default has occurred and is continuing with respect to a Trust, in addition to any rights of removal under Section 8.06(c), the Guarantor (or if a Guarantor Event of Default has occurred and is continuing, the Issuer) may, and if directed by Holders of Certificates of any related Series representing at least 51% of the Voting Rights of such Series, will, remove the Trustee as to such Trust and appoint a successor Trustee by written instrument, one copy of which will be delivered to the Trustee so removed and one copy of which will be delivered to the successor Trustee, and the Guarantor (or if a Guarantor Event of Default has occurred and is continuing, the Issuer) will give written notice of the successor Trustee to the

Holders affected by the succession. Notwithstanding the termination of the Trustee, its liability under the Trust Documents arising prior to such termination will survive such termination.

(c) *Removal of Successor Trustee Without Cause.* Except when a Guarantor Event of Default has occurred and is continuing, the Guarantor may remove a successor Trustee for any reason or no reason, solely pursuant to the Trust Documents, and appoint another successor Trustee by written instrument within 90 days after the date notice is given to such predecessor Trustee of its removal. If no successor Trustee has been appointed and has accepted appointment within 90 days after the giving of such notice of removal, the predecessor Trustee may petition any court for the appointment of a successor Trustee.

(d) *Time of Effectiveness.* Any resignation or removal of the Trustee and appointment of a successor Trustee pursuant to any of the provisions of this Article VIII will become effective upon acceptance of appointment by the successor Trustee as provided in Section 8.07, and in no event will such resignation or removal become effective until a successor Trustee has been appointed and has accepted the duties of the Trustee.

Section 8.07 Acceptance of Appointment by Successor Trustee.

Any successor Trustee appointed as provided in Section 8.06 will execute, acknowledge and deliver to the Guarantor and to its predecessor Trustee an instrument accepting such appointment under the Trust Documents. The successor Trustee may, at its own expense, secure an Opinion of Counsel to the effect that, or as to the extent to which, a Trust is exempt from federal income taxation, as well as state and local taxation in the jurisdiction where the successor Trustee is located, and qualifies in whole or in part as one or more fixed investment trusts for federal tax purposes. The resignation or removal of the predecessor Trustee will become effective and the successor Trustee, without any further act, deed or conveyance, will become fully vested with all the rights, powers, duties and obligations of its predecessor Trustee, with the effect as if the successor Trustee had been originally named as Trustee under the Trust Documents. The predecessor Trustee will execute and deliver such instruments and do such other things as may reasonably be required to vest fully and confirm the successor Trustee in all such rights, powers, duties and obligations. Any trustee fee paid to a successor Trustee will be an amount that is agreed upon by such successor Trustee and the Guarantor. The documentation for the succession of the successor Trustee, including any fee arrangement with such successor Trustee, is not considered an Amendment requiring approval pursuant to Article XI.

Section 8.08 Merger or Consolidation of Trustee.

Notwithstanding any provision in the Trust Documents to the contrary, any corporation or association into which the Trustee may be merged or converted or with which it may be consolidated or any corporation resulting from any merger, conversion or consolidation to which the Trustee will be a party, or any corporation succeeding to the business of the Trustee, will be the successor Trustee under the Trust Documents, without the execution or filing of any paper or any further act on the part of any of the parties to the Trust Documents, provided, in the case of a Trustee other than Fannie Mae, that such corporation or association is eligible under the provisions of Section 8.05.

Section 8.09 Appointment of Co-Trustee or Separate Trustee.

(a) *Authority to Appoint.* For the purpose of meeting any legal requirements of any jurisdiction in which any part of a Trust Fund or property securing it may at the time be located, the Guarantor and the Trustee acting jointly (or, if a Guarantor Event of Default has occurred and is continuing, the Trustee acting alone) will have the power to execute and deliver all instruments necessary to appoint a Person approved by the Trustee to act jointly with the Trustee as co-trustee, or to appoint a separate trustee for any part of the related Trust Fund, and to vest in that Person, in its trustee capacity, legal title to that part of the Trust Fund, and those powers, duties, obligations, rights and trusts as the Guarantor and the Trustee (or if a Guarantor Event of Default has occurred and is continuing, the Trustee alone) consider necessary or desirable, subject to the other provisions of this Section 8.09 and consistent with the Trust Documents. No co-trustee or separate trustee will be required, however, to meet the terms of eligibility as a successor Trustee under Section 8.05. Except as specifically provided in the first sentence of this Section 8.09(a), the Trustee will have no other right to appoint a co-trustee.

(b) *Authority Granted.* In the case of any appointment of a co-trustee or separate trustee pursuant to this Section 8.09, all rights, powers, duties and obligations conferred or imposed upon the Trustee will be conferred or imposed upon, and exercised or performed by the Trustee and such separate trustee or co-trustee jointly, except to the extent that under any law of any jurisdiction in which any particular act is to be performed, the Trustee is incompetent or unqualified to perform such act, in which event such rights, powers, duties and obligations (including the holding of title to all or any part of the related Trust Fund in any such jurisdiction) will be exercised and performed by that separate trustee or co-trustee at the direction of the Trustee.

(c) *Notices.* Any notice, request or other writing given to the Trustee will be deemed to have been given to each separate trustee or co-trustee appointed under this Section 8.09, as effectively as if given to each of them. Every instrument appointing any separate trustee and co-trustee will refer to the Trust Documents and the conditions of this Article VIII.

(d) *Agency Role.* Any separate trustee and co-trustee may appoint the Trustee as its agent or attorney-in-fact, with full power and authority, to the extent not prohibited by law, to do any lawful act under or in respect of the Trust Documents on its behalf and in its name. If any separate trustee or co-trustee dies, becomes incapable of acting, resigns or is removed, all of its estates, properties, rights, remedies and trusts will vest in and be exercised by the Trustee, without the appointment of a new or successor Trustee, to the extent permitted by law.

Section 8.10 Successor Trustee Fee.

A successor Trustee designated pursuant to Article VIII will be entitled to a fee for its services as agreed between the successor Trustee and the Guarantor or, if a Guarantor Event of Default has occurred and is continuing, the Issuer.

**ARTICLE IX
GUARANTOR EVENTS OF DEFAULT**

Section 9.01 Guarantor Events of Default.

With respect to any Series, each of the following events will constitute a Guarantor Event of Default hereunder:

(a) any failure by the Guarantor to make a Guaranty Payment required to be made under the terms of the Trust Documents which continues unremedied for a period of 15 days after the date upon which written notice of such failure, requiring the same to be remedied, was given to the Guarantor and the Trustee by the Holders of Certificates of such Series representing at least 5% of the Voting Rights of such Series;

(b) any failure on the part of the Guarantor duly to observe or perform in any material respect any other of the covenants or agreements on the part of the Guarantor in the Trust Documents which continues unremedied for a period of 60 days after the date upon which written notice of such failure, requiring the same to be remedied, was given to the Guarantor and the Trustee by the Holders of Certificates of such Series representing at least 25% of the Voting Rights of such Series;

(c) a decree or order of a court or agency or supervisory authority having jurisdiction in the premises for the appointment of a conservator, receiver or liquidator in any insolvency, readjustment of debt, marshalling of assets and liabilities or similar proceedings, or for the winding-up or liquidation of its affairs, is entered against the Guarantor and such decree or order remains in force undischarged or unstayed for a period of 60 days;

(d) the Guarantor consents to the appointment of a conservator, receiver or liquidator in any insolvency, readjustment of debt, marshalling of assets and liabilities or similar proceedings relating to the Guarantor or to all or substantially all of its property; or

(e) the Guarantor admits in writing its inability to pay its debts generally as they become due, file a petition to invoke any applicable insolvency or reorganization statute, make an assignment for the benefit of its creditors, or voluntarily suspend payment of its obligations.

ARTICLE X TRUST TERMINATION

Section 10.01 Trust Termination.

Each Trust is irrevocable and will terminate only in accordance with the terms of the related Trust Documents. The obligations and responsibilities of the Issuer, the Guarantor and the Trustee, and of any successor Trustee, will terminate as to a Trust and Holders of the related Certificates upon the distribution to such Holders of all amounts required to be distributed under the related Trust Documents, including any amounts distributed pursuant to the Guaranty; *provided, however*, that in no event will any Trust created by the Trust Documents continue beyond the last day of the 60th year following the Issue Date for that Trust.

Section 10.02 Notice of Termination.

Notice of any termination will be given promptly by the Trustee to Holders of the related Certificates by publication of a Factor equal to zero for each applicable Class of Certificates.

ARTICLE XI AMENDMENTS

Section 11.01 Voting Rights.

(a) *Transferor, Affiliates and Agents.* Subject to any applicable restrictions in subsections 11.01(c) and (d), in determining whether Holders of the requisite amount of Certificates have given any request, demand, authorization, direction, notice, consent or waiver requested or permitted under this Trust Agreement, any Certificate beneficially held by a Transferor with respect to that Trust, its affiliates or its agents may be voted by that Transferor or the affiliates or agents of that Transferor, as the case may be, without restriction.

(b) Reserved.

(c) *Guarantor as Holder.* Certificates that are beneficially held by the Guarantor will be disregarded and deemed not to be Outstanding for purposes of determining whether a Guarantor Event of Default has occurred and is continuing or whether to remove the Trustee when a Guarantor Event of Default has occurred and is continuing. In all other matters with respect to a Trust, Certificates that are beneficially owned by the Guarantor may be voted by the Guarantor to the same extent as Certificates held by any other Holder, unless the Guarantor is also a Transferor with respect to that Trust. If, however, the Guarantor beneficially owns 100% of the Certificates of a Series, the Certificates owned by the Guarantor may be voted by the Guarantor without restriction.

(d) *Successor Trustee as Holder.* Certificates that are beneficially held by a successor Trustee will be disregarded and deemed not to be Outstanding for purposes of determining whether a Trustee Event of Default has occurred and is continuing or whether to remove that successor Trustee when a Trustee Event of Default has occurred and is continuing. In all other matters with respect to a Trust, Certificates that are beneficially owned by a successor Trustee may be voted by that successor Trustee to the same extent as Certificates held by any other Holder. If, however, a successor Trustee beneficially owns 100% of the Certificates of a Series, the Certificates owned by that successor Trustee may be voted by that successor Trustee without restriction.

(e) *Voting Under any Underlying Trust Agreement.* In the event that there will be any matter arising under any Underlying Trust Agreement that requires or permits the vote of holders of certificates outstanding thereunder, the Trustee, as the holder of the related Pooled Securities, will not vote such Pooled Securities except upon direction to do so (which direction must not be inconsistent) from Holders of the related Series representing at least 51% of the Voting Rights of such Series. Following its receipt of such direction, the Trustee will vote such Pooled Securities in its entirety in accordance with such direction. The manner of soliciting such instructions will be subject to such reasonable regulations as the Trustee may prescribe.

Section 11.02 Amendments to Trust Documents.

This Trust Agreement and any other Trust Documents may be amended under the circumstances and in the manner described in this Article XI. Upon satisfying the requirements set forth below, any such amendment (by waiver, modification or otherwise) will become part of

the Trust Documents upon the effective date of such amendment. An Amendment may be effective to amend the Trust Documents as they relate to one or more Trusts, *provided* that no Amendment will be effective with respect to a Trust created prior to the date of the Amendment unless it has been approved by the Persons specified in Sections 11.03 or 11.04, as applicable.

Section 11.03 Permissible Without Action by Holders.

Subject to Section 11.04, the Issuer and the Trustee, from time to time and at any time, may, without the consent of or notice to any Holder, enter into an Amendment or other instrument supplemental to this Trust Agreement, for any one or more of the following purposes:

(a) (i) to correct an error, (ii) to correct, modify or supplement any provision in the Trust Documents that is inconsistent with any other provision of the Trust Documents or the related Fannie Mae Offering Document, or (iii) to cure an ambiguity or supplement a provision of the Trust Documents, *provided* that such cure of an ambiguity or supplement of a provision is not otherwise inconsistent with the provisions of this Trust Agreement; or

(b) to modify, eliminate or add to the provisions of the Trust Documents to the extent necessary to maintain the qualification of all or any part of a Trust Fund, as applicable, as a fixed investment trust under the Code as evidenced by an Opinion of Counsel satisfactory to the Trustee;

provided that no amendment may be made pursuant to clause (a)(iii) of this Section 11.03 that otherwise would require consent of Holders pursuant to Section 11.04(b) without first obtaining such consent.

Section 11.04 Waivers and Amendments with Consent of Holders.

(a) *With 51% Holder Consent.* With the consent of the Holders of Certificates of each Class of a Series representing not less than 51% of the Voting Rights of such Class, the Issuer and the Trustee may enter into any Amendment for any purpose or waive any provision of this Trust Agreement, other than any change to which Subsection 11.04(b) applies.

(b) *With 100% Holder Consent.* Without the consent of all Holders of a Series, the Issuer and the Trustee may not enter into any Amendment, or otherwise engage in any activity, that will:

(i) reduce in any manner the amount of, or delay the timing of, distributions which are required to be made on any Certificate;

(ii) (A) terminate or modify the Guaranty or (B) reduce the percentage of Voting Rights required to consent to any waiver or any Amendment; or

(iii) affect the status of all or any part of a Trust Fund, as applicable, as a fixed investment trust for federal tax purposes, or otherwise have the effect of materially increasing taxes payable in respect of that Trust.

Section 11.05 Documentation of Amendment.

(a) *Form of Amendment.* It will not be necessary for Holders of the Certificates of a Series to approve the particular form of any proposed Amendment or waiver requiring Holder consent, but it is sufficient if Holders approve the substance of such proposed Amendment or waiver.

(b) *Notice of Amendment.* Promptly after the execution of any waiver or Amendment pursuant to Section 11.04, the Trustee will give written notice to Holders of Certificates affected by the Amendment or waiver. Any failure of the Trustee to give such notice, or any defect in the notification, will not in any way impair or affect the validity of the waiver or Amendment.

ARTICLE XII MISCELLANEOUS

Section 12.01 Holders.

(a) *Death or Incapacity.* The death or incapacity of any Holder will not operate to terminate any of the Trust Documents nor entitle such Holder's legal representative or heirs to claim an accounting or to take any action or proceeding in any court for a partition or winding up of the affairs of the related Trust, or otherwise affect the rights, duties and obligations of any of the parties to the Trust Documents.

(b) *No Right to Participate.* No Holder will have any right to control or to participate in the control and administration of any Trust or the related Trust Fund, nor will any of the terms of the Trust Documents be construed to constitute the Holders and Fannie Mae (in any capacity) as partners or members of an association, nor will any Holder have any duty or liability to any third person by reason of any action taken by the parties to the Trust Documents or pursuant to the provisions of the Trust Documents.

(c) *No Right to Act.* No Holder will have any right by virtue of any provision of the Trust Documents to institute any suit, action or proceeding in equity or at law unless a Guarantor Event of Default has occurred and is continuing with respect to a Trust. In addition, if a Guarantor Event of Default has occurred and is continuing, no Holder may institute any suit, action or proceeding in equity or at law against the Guarantor unless Holders of Certificates representing at least 25% of the Voting Rights of any related Series have first requested in writing that the Trustee undertake enforcement efforts to collect under the Guaranty, and the Trustee has not undertaken any such action within 120 days after receiving such written request together with reasonable security or indemnity against the costs, expenses and liabilities that it may incur as required by Section 8.03(a)(iv). By accepting and purchasing the Certificates, each Holder (i) is deemed to acknowledge and agree, and expressly to covenant with every other Holder and the Trustee, that no Holder will have any right by virtue of any provision of the Trust Documents, (ii) is deemed to acknowledge and agree, and expressly to covenant with every other Holder and the Trustee, that no Holder will have any right by virtue of any provision of the Trust Documents to affect, disturb or prejudice the rights of any other Holder, to obtain or seek to obtain priority over or preference to any other Holder, or to enforce any right under the Trust Documents (except as expressly provided in this Trust Agreement), except for the equal, ratable and common benefit of all Holders. For the protection and enforcement of the provisions of this

Section 12.01, each and every Holder and the Trustee will be entitled to such relief as can be given either at law or in equity.

Section 12.02 Governing Law.

The terms of the Trust Documents will be construed in accordance with the laws of the District of Columbia (without giving effect to conflicts of laws principles).

Section 12.03 Assignment.

This Trust Agreement will be binding upon and inure to the benefit of the parties and their respective successors and permitted assigns. This Trust Agreement is for the sole benefit of the parties, the Holders and their respective successors, assigns and legal representatives and is not intended, nor will be construed, to give any Person, other than the parties to this Trust Agreement, the Holders, and their respective successors, assigns and legal representatives, any legal or equitable right, remedy or claim under this Trust Agreement.

Section 12.04 Demands, Notices, Communications.
