Optional Cancellation	On or after the 60th month following the effective date, Fannie Mae may cancel the policy. Fannie Mae may also cancel the policy if the Total Current Principal Balance is reduced to no more than ten percent (10%) of the Total Initial Principal Balance.										
Fannie Mae Min Required Collateral Amount	Fannie Mae required the participating counterparties to establish collateral trust accounts that hold cash, Treasuries, and other eligible securities. The initial aggregate minimum required collateral amount was approximately \$103 million. The minimum required collateral amount will change over the life of the transaction, based upon - among other things - the external ratings of each reinsurer, the remaining Limit of Liability, and the performance of the covered pool.
