As such, at thirty (30) months after the Effective Date and for each month thereafter up to, but not including, the forty-second (42nd) month, the Limit of Liability shall also be reduced to the Remaining Limit of Liability at such date, after applying the reduction specified in this Article IV.(e) plus Aggregate Losses in excess of the Aggregate Retention as reduced by any applicable Quota Share Reduction.

- (h) Notwithstanding any other provision of this Policy to the contrary, the Insurer shall have no liability to pay any Loss once the Aggregate Losses paid by the Insurer equal the Limit of Liability. The Insured shall be solely responsible for any Losses that would otherwise exceed the Limit of Liability.

V. CLAIMS AND REPORTING

- (a) Following the Last Day of the Fill-up Period, the Insured shall make available to the Insurer monthly a Notice of Claim. Where the Insured wishes to file a Claim, such monthly Notice of Claim on a Covered Loan shall be made available within one hundred fifty (150) calendar days of the later of the Last Day of the Fill-up Period and the end of the month in which a related REO Sale or Third-Party Sale occurs; provided, however, the Insurer shall have no obligation to make payment for Loss on a Notice of Claim until the Aggregate Retention has been exceeded. The Insured's failure to provide a Notice of Claim within the foregoing period shall not relieve the Insurer of its obligations under this Policy, provided that such late notice does not prejudice the Insurer in any material way.
- (b) The Insured shall provide written notice to the Insurer that the Aggregate Retention has been exceeded, and thereafter the Insurer shall submit payment for Loss as presented in the Notice of Claim on a Covered Loan within eleven (11) Business Days of its receipt of the Notice of Claim, and such date shall be the "Claim Due Date".
- (c) In the event the Insurer does not pay the Loss by the Claim Due Date, it shall pay interest on the Loss calculated as follows: 1) if the Loss is paid on or before the sixtieth (60th) day following the Claim Due Date, the Net Interest Rate due upon the Covered Loan, commencing on and including the day immediately following the Claim Due Date up to but excluding the date on which the Loss is paid; or 2) if the Loss is paid after the sixtieth (60th) day following the Claim Due Date, the

Net Interest Rate due upon the Covered Loan, commencing on and including the day immediately following the Claim Due Date up to and including the sixtieth (60th) day following the Claim Due Date, plus the sum of the Net Interest Rate due upon the Covered Loan and ten percent (10.00%), commencing on and including the day immediately following the sixtieth (60th) day following the Claim Due Date up to but excluding the date on which the Loss is paid.

- (d) As a matter of routine reporting during the Policy Period, by the last business day of the month the Insured shall provide the Insurer with the Monthly Servicing Report, which shall be updated and cover activity during the month that is two months prior to the publication of the Monthly Servicing Report.

VI. CALCULATION OF LOSS

- (a) If a Covered Loan has primary mortgage guaranty insurance that reduces the Insured's loss on such Covered Loan to zero, there is no Loss to calculate in connection with such Covered Loan and no payment shall be due from the Insurer on a Claim for Loss with respect to such Covered Loan.
- (b) If Article VI.(a) above does not apply, then once a Property securing a Covered Loan, or a delinquent Covered Loan itself that is twelve (12) months or more past due, has been sold by, or with the approval of, the Insured, the Loss shall be calculated as the sum of:
 - i. the Default Amount, and
 - ii. interest at the Net Interest Rate computed on the Default Amount from the date of Default until the date of the Third-Party Sale or REO Sale, provided, however, that in no event shall the time for which accumulated delinquent interest is included in the Loss exceed forty five (45) months, and
 - iii. the amount of Advances paid by the Insured prorated (based on the number of days) through the date the Claim is provided in the Monthly Servicing Report,less
 - iv. the amount of all rents and other payments (excluding proceeds of hazard and/or homeowner's insurance) collected or received by the Insured, prior to the date the Claim is provided in the Monthly Servicing Report, and that the Insured is entitled to retain, which are derived from or in any way related to the Property, and
 - v. the amount of cash remaining in any escrow account as of the last payment date, if such cash secures the debt, and
 - vi. the amount of cash to which the Insured has retained the right of possession as security for the Covered Loan and all sums as to which the Insured has the right of set-off, and

- vii. the amount paid by the hazard insurer under applicable hazard and/or homeowner's coverage policies, which has not been applied to the cost of restoring and repairing the Property or which has not been applied to the payment of the Covered Loan, and
 - viii. the net proceeds of the Third-Party Sale or REO Sale, consisting of the gross sales price less all reasonable and necessary costs incurred in obtaining and closing the sale, and
 - ix. the Amount Due on MI, and
 - x. the amount of any indemnification or make-whole proceeds paid to the Insured by a Servicer or party otherwise responsible to the Insured in connection with a Covered Loan.
- (c) An example of the Loss calculation is provided in Exhibit B of this Policy.
 - (d) In the event that part or all of the Property is taken by eminent domain, condemnation or by any other proceedings by a federal, state or local governmental unit or agency, the Insured shall require that the Borrower apply the maximum permissible amount of compensation awarded to reduce the unpaid principal balance of the Covered Loan in accordance with Applicable Law and the terms of the Covered Loan.
 - (e) Notwithstanding any other provision of this Policy to the contrary, the Insurer shall have no liability to pay any Loss unless and until the Aggregate Losses exceed the Aggregate Retention as specified in the Declarations Page. The Insured shall be solely responsible for Loss until Aggregate Losses exceed the Aggregate Retention.

VII. LOSS ADJUSTMENTS

- (a) Indemnification Proceeds. Before the Termination Date, if the Insured is paid any indemnification or make-whole proceeds by a Servicer or party otherwise responsible to the Insured in connection with a Covered Loan after the Insurer has paid a Loss on such Covered Loan, the Insured shall pay to the Insurer such proceeds. All such proceeds paid to the Insurer shall reduce Aggregate Losses.
- (b) Collection Activities.
 - i. In connection with a Covered Loan where a Notice of Claim is provided in the Monthly Servicing Report by the Insured pursuant to Article V.(a) (Claims and Reporting) prior to the date the Aggregate Retention has been exceeded, any amounts received by the Insured as a result of Collection Activities shall be retained by the Insured and all such proceeds shall reduce Aggregate Losses.
 - ii. In connection with a Covered Loan where a Notice of Claim is provided in the Monthly Servicing Report by the Insured pursuant to Article V.(b) (Claims and Reporting) after the Aggregate Losses exceed the Aggregate Retention, any amounts received by the Insured as a result of Collection

Activities shall be for the benefit of the Insurer and be paid to the Insurer, net of any third-party expenses incurred by the Insured to receive such amounts or the right to receive such amounts. For purposes of this Article VII.(b)(ii), the Insured shall apply its same standards as it would apply in the normal course of Collection Activities pursuant to Article VII.(b)(i) above. All such amounts paid by the Insured to the Insurer before the later of (x) the date of payment by the Insurer of the final Loss eligible to be paid under this Policy, or (y) the Termination Date, shall reduce Aggregate Losses.

- (c) Termination Date. For purposes of Article VII.(b)(ii) above, the occurrence of the Termination Date shall not affect the Insured's obligation to pay such amounts to the Insurer.

VIII. CANCELLATION

- (a) This Policy shall automatically cancel on the Termination Date unless cancelled earlier in accordance with Article VIII.(b) through (f) below. Within sixty (60) days following the Termination Date:
 - i. if the Insured determines that the Aggregate Retention has not been exceeded and would not be exceeded if the Total Current Principal Balance of all Covered Loans then in Default were added to the Aggregate Losses, then this Policy shall cancel on the Termination Date and the Insurer shall not be liable for any payment of Loss;
 - ii. if the Insured determines that the Aggregate Retention has not been exceeded, but would be exceeded if the Total Current Principal Balance of all Covered Loans then in Default were added to the Aggregate Losses, then such Covered Loans in Default shall remain covered under this Policy until the earlier of the date such Covered Loans are no longer in Default or become Liquidated Covered Loans, and the Insurer shall continue to pay Losses in connection with such Liquidated Covered Loans without further payment of premium by the Insured;
 - iii. if the Insured determines that the Aggregate Retention has been exceeded, then all Covered Loans then in Default shall remain covered under this Policy until the earlier of the date such Covered Loans are no longer in Default or become Liquidated Covered Loans, and the Insurer shall continue to pay Losses in connection with such Liquidated Covered Loans without further payment of premium by the Insured; and
 - iv. the Insured will provide written notice to the Insurer whether subclause a.i., a.ii., or a.iii., above applies not later than ten (10) business days following such determination and the Termination Date shall be the date of such determination.
- (b) The Insurer may cancel this Policy in the event of non-payment of Monthly Premium if the Monthly Premium has not been paid pursuant to Article IX. (Monthly Premium). In such case, the Insurer may cancel this Policy by providing written notice to the Insured stating when the cancellation shall be

effective but in no case less than thirty (30) days from the missed Monthly Premium due date. The cancellation date in such written notice shall become the Termination Date of the Policy. If the Insured pays the Monthly Premium on or before the effective date of the cancellation, this Policy shall continue in full force and effect.

- (c) The Insured may cancel this Policy upon: (i) the insolvency of the Insurer; (ii) a breach by the Insurer of any representation provided in Article II. (Representations and Warranties of the Insurer); (iii) the receipt by the Insurer of a cease and desist order or any similar order from a regulatory authority that it ceases and desist in writing all or part of its business; or (iv) material noncompliance by the Insurer with the terms of this Policy. The Insured shall give written notice to the Insurer stating the grounds for such action and when the cancellation shall be effective. The cancellation date in such written notice shall become the Termination Date of this Policy.
- (d) The Insured may cancel this Policy if the Total Current Principal Balance is reduced to no more than ten percent (10.00%) of the Total Initial Principal Balance. The Insured shall give written notice to the Insurer upon electing this action and when the cancellation shall be effective. The cancellation date in such written notice shall become the Termination Date of this Policy.
- (e) The Insured may cancel this Policy under the terms of the Optional Policy Cancellation as specified on the Declarations Page.
- (f) This Policy shall automatically cancel if the Remaining Limit of Liability at any monthly reporting period is zero dollars (\$0.00), subject to adjustment pursuant to Article VII.(a) (Loss Adjustments), and the Insured shall not then be liable for any Monthly Premium, except for outstanding amounts that may have accrued prior to that time and may still be owed thereafter.
- (g) Under all cancellation provisions in Article VIII.(a) through (c) above, the Insured shall not be liable for any Monthly Premium that may accrue after the Termination Date, and the Insurer shall not be liable for any Loss on Covered Loans that Default after the Termination Date. (For the avoidance of doubt, with respect to situations described under Article VIII.(a) through (c) above, the Insured shall remain liable to pay any Monthly Premium that accrues prior to, but is not payable until after, the Termination Date.) Under all cancellation provisions in Article VIII.(d) and (e) above, the Insured shall not be liable for any Monthly Premium that may accrue after the Termination Date, and the Insurer shall only be liable to pay Claims filed by the Insured prior to the Termination Date. (For the avoidance of doubt, with respect to situations described under Article VIII.(d) and (e) above, the Insurer shall not be liable for Loss on Covered Loans that are in Default as of the Termination Date but for which the Insured has not filed a Claim.)

IX. MONTHLY PREMIUM

The initial Monthly Premium due and payable under this Policy shall be calculated as specified on the Declarations Page of this Policy, and the Insured will make its best effort to pay the initial Monthly Premium in respect of each Covered Loan not later than last day of the month following

the month in which such Covered Loan was Delivered. Each subsequent Monthly Premium shall be paid by the last day of the month for which it is due. For example, both the initial Monthly Premium and the first subsequent Monthly Premium due for Covered Loans Delivered in March 2018 shall be paid by April 30, 2018, and the initial Monthly Premium as well as the first subsequent Monthly Premium for Covered Loans Delivered in April 2018, as well as the second subsequent Monthly Premium for Covered Loans Delivered in March 2018, shall be paid by May 31, 2018. The Monthly Premium Rate and the Monthly Premium due in respect of certain months during the Fill-up Period may be subject to adjustment as provided in Exhibit C of this Policy. The Insured's obligation to pay Monthly Premium on a Covered Loan ceases on the last day of the month in which such loan becomes a Liquidated Covered Loan.

X. REDUCTION UNDER QUOTA SHARE CONTRACT

Notwithstanding any other provision of this Policy to the contrary, in the event of a Quota Share Reduction to which the Insured has given its written consent, the Limit of Liability, the Remaining Limit of Liability, the Aggregate Retention, Losses on Covered Loans, and the Monthly Premium will each be revised as follows:

- (a) the Limit of Liability will be revised to equal the Limit of Liability on the date prior to the Reinsurer Reduction Date less the product of the Quota Share Reduction Percentage and the Remaining Limit of Liability on the date prior to the Reinsurer Reduction Date.
- (b) the Remaining Limit of Liability will be revised to equal the Remaining Limit of Liability on the date prior to the Reinsurer Reduction Date less the product of the Quota Share Reduction Percentage and the Remaining Limit of Liability on the date prior to the Reinsurer Reduction Date.
- (c) the Aggregate Retention will be revised to equal the Aggregate Retention on the date prior to the Reinsurer Reduction Date less the product of the Quota Share Reduction Percentage and the Remaining Aggregate Retention on the date prior to the Reinsurer Reduction Date.
- (d) where the Insurer pays a Loss on and after the Reinsurer Reduction Date, the Loss as otherwise calculated pursuant to Article VI.(b) (Calculation of Loss) will be reduced in the same proportion as the Quota Share Reduction.
- (e) the Monthly Premium will be reduced prospectively in the same proportion as the Quota Share Reduction as respects any month beginning with the month in which the Reinsurer Reduction Date occurs. The Reinsurer Reduction Date may only occur on the first calendar day of a month.
- (f) For avoidance of doubt, as examples:
 - i. where the Limit of Liability is \$300,000,000, Aggregate Retention is \$50,000,000, and Aggregate Losses totaled \$30,000,000, and the Quota Share Reduction results in the Limit of Liability being reduced to seventy-five percent (75%), as of the Reinsurer Reduction Date the Aggregate Retention would be revised to \$45,000,000 ($\$50,000,000 - [25\% \times \$20,000,000]$), the Limit of Liability would be revised to \$225,000,000 ($\$300,000,000 - [25\% \times \$300,000,000]$), and the Remaining Limit of

Liability would be revised to \$225,000,000 $(\$300,000,000 - \$0) - 25\% \times [\$300,000,000 - \$0]$;

- ii. where the Limit of Liability is \$300,000,000, Aggregate Retention is \$50,000,000, and Aggregate Losses totaled \$80,000,000, and the Quota Share Reduction results in the Limit of Liability being reduced to seventy-five percent (75%), as of the Reinsurer Reduction Date the Aggregate Retention would be unchanged (\$50,000,000), the Limit of Liability would be revised to \$232,500,000 $(\$300,000,000 - [25\% \times \$270,000,000])$, and the Remaining Limit of Liability would be revised to \$202,500,000 $(\$300,000,000 - \$30,000,000) - 25\% \times [\$300,000,000 - \$30,000,000]$.

In the event of any such Quota Share Reduction during the Fill-up Period, any further adjustments to the Limit of Liability, the Remaining Limit of Liability, the Aggregate Retention, Losses on Covered Loans or the Monthly Premium resulting from the publication of additional Set-up Files shall appropriately take into account any adjustment pursuant to this Article, as reasonably determined by the Insured.

No suit or action for recovery of any Loss under this Policy shall be sustained in favor of the Insured in any court of law or equity unless the Insured has materially complied with the terms and conditions of this Policy, except a suit or action where the issue is whether the Insured materially complied with the terms and conditions of this Policy or what was required to do so, and unless the suit or action in equity is commenced within three (3) years, or such longer period of time as may be permitted by Applicable Law, after (i) the Claim has been

presented to the Insurer or (ii) the date on which the cause of action accrued, whichever is earlier. No suit or action on the Insurer's disposition of a Claim or Loss may be brought against the Insurer until sixty (60) days have elapsed from the Claim Due Date. The parties to this Policy expressly waive the right to a jury trial.

If a dispute arises concerning a Covered Loan and involves either the Property or the Insured, the Insurer has the right to protect its interest by defending any action arising from such dispute, even if the allegations involved are groundless, false or fraudulent. - (e) **Co-ordination and Duplication of Insurance Benefits** – The coverage under this Policy shall be excess over any valid and collectible mortgage guaranty insurance that may apply to a Covered Loan, regardless of the type of or the effective date of such other coverage, and regardless of whether such mortgage guaranty insurance was required by or purchased for the Insured or may protect the Insured as a third-party beneficiary or otherwise.
- (f) **Duty of Cooperation; Access to Records** – The Insured and the Insurer shall cooperate in good faith with one another in the administration of this Policy, including the resolution of any disputes arising under this Policy. Upon reasonable notice from the Insurer, the Insured shall provide access to its records that pertain to this Policy for purposes of allowing the Insurer to obtain information related to any Covered Loan and the Insured's handling thereof under this Policy.
- (g) **Electronic Data** – The Insurer and the Insured agree that each may originate, maintain, and share information, documents or other data (in this Article XII.(g) referred to as "data") as electronic records using electronic media generally accepted as usual and customary for business records (e.g., e-mail, secure web-portals) and that such data are as acceptable for all purposes under this Policy as data maintained in printed or written form, so long as the data is not denied legal effect or enforceability solely because it is in electronic form. High-Balance Mortgage Loan determination will be based upon applicable limits in effect at loan acquisition. The above 2017 limits were used for the High Balance Mortgage Loan determination in the calculation of the Baseline Risk Factors.

Loans with MI Coverage lower than the figures above assumed to have minimum MI coverage

Calculation Steps:

- i. For each Covered Loan, determine the "**Weighted Average Actual Risk Factor**" for such **Covered Loan**:
 1. Sum all applicable factors found in Tables 1 through 4, above, based upon the Original Credit Score, the Original LTV, product features and other applicable risk attributes of such **Covered Loan**, as determined by the **Insured**, to determine the "**Actual Risk Factor**"
 2. For each **Covered Loan**, calculate the product of:
 - a. The unpaid principal balance of such **Covered Loan**, multiplied by
 - b. The **Actual Risk Factor** for such **Covered Loan**.
 3. Sum the resulting products
 4. Divide the sum obtained in Step i.3 by the **Total Initial Principal Balance** to obtain the **Weighted Average Actual Risk Factor**

- ii. If the **Weighted Average Actual Risk Factor** is greater than the **Baseline Risk Factor**, then subtract the **Baseline Risk Factor** from the **Weighted Average Actual Risk Factor** to determine the "**Monthly Premium Rate Percentage Increase Factor**".
 1. Then, divide (a) the **Monthly Premium Rate Percentage Increase Factor** derived in Step ii by (b) the **Baseline Risk Factor**, to determine the "**Monthly Premium Rate Percentage Increase**".
 2. Then add the sum of (a) the initial **Monthly Premium Rate** of thirteen thousandths of one percent (0.013%) plus (b) the product of (i) such initial **Monthly Premium Rate** and (ii) the **Monthly Premium Rate Percentage Increase**.
 3. The sum derived in Step ii.2 is the "**Adjusted Monthly Premium Rate**".
- iii. If the **Weighted Average Actual Risk Factor** is less than the **Baseline Risk Factor**, then subtract the **Weighted Average Actual Risk Factor** from the **Baseline Risk Factor** to determine the "**Monthly Premium Rate Percentage Decrease Factor**".
 1. Then, divide (a) the **Monthly Premium Rate Percentage Decrease Factor** derived in Step iii by (b) the **Baseline Risk Factor**, to determine the "**Monthly Premium Rate Percentage Decrease**".
 2. Then determine the "**Adjusted Monthly Premium Rate**" as equal to (a) the initial **Monthly Premium Rate** of thirteen thousandths of one percent (0.013%) minus (b) the product of (i) such initial **Monthly Premium Rate** and (ii) the **Monthly Premium Rate Percentage Decrease**.
- iv. If the **Weighted Average Actual Risk Factor** is equal to the **Baseline Risk Factor**, then there will be no adjustment to the **Monthly Premium Rate**.
- v. In any event, the **Adjusted Monthly Premium Rate** will be determined by the **Insured**. Furthermore, the **Insured** may round the **Adjusted Monthly Premium Rate** and/or any factor used to calculate the **Adjusted Monthly Premium Rate** to the nearest ten thousandths of one percent, if applicable.

Determination of Monthly Premium Adjustment Payment

In the event that the **Weighted Average Actual Risk Factor** is greater than the **Baseline Risk Factor**, the "**Monthly Premium Adjustment Payment**" will be an amount equal to the product of (a) the **Monthly Premium Rate Percentage Increase** multiplied by (b) the sum of the **Monthly Premiums** calculated using the initial **Monthly Premium Rate** (i.e., before giving effect to the **Adjusted Monthly Premium Rate**), which amount will be payable by the **Insured** to the **Insurer**.

In the event that the **Weighted Average Actual Risk Factor** is less than the **Baseline Risk Factor**, the "**Monthly Premium Adjustment Payment**" will be an amount equal to the product of (a) the **Monthly Premium Rate Percentage Decrease** multiplied by (b) the sum of the **Monthly Premiums** calculated using the initial **Monthly Premium Rate** (i.e., before giving effect to the **Adjusted Monthly Premium Rate**), which amount will be payable by the **Insurer** to the **Insured**.

In the event that the **Weighted Average Actual Risk Factor** is equal to the **Baseline Risk Factor**, there will be no **Monthly Premium Adjustment Payment**. In any event, the **Monthly Premium Adjustment Payment** will be determined by the **Insured**.
